## Train like the Pros, Where the Pros Train

### What our other Pros say:

#### Darren Helm - Detroit Red Wings Stanley Cup Champion

"I take pride in my training and believe in a hard work ethic. Richard Burr has been a big part of my strength, speed, and conditioning that I've needed for my success in the NHL. I've been training with Richard for 9 years and will continue to work with him for the rest of my career."

#### Ryan Garbutt Anaheim Ducks

"Since 2001 I've been training with Burrzy and quite frankly feel very fortunate to have worked with an individual as professional, knowledgeable, and passionate at what he does. Richard lives to make athletes better, whether it's his cutting edge hockey programs or nutritional programs you can count on Richard to be ahead of his time."

#### Cody Eakin Dallas Stars

"One word 'Pioneer' that's how I best describe Richard Burr. He's helped me to get quicker and stronger more than any professional by a substantial margin. His passion for training and nutrition is infectious - he loves to teach clients better ways to train and eat. You're NUMBER 1 Burrzy!"
