SCAN ME

CanCentral Sports Cards and Memorabilia is a family-owned sports collectors store in Winnipeg, MB, specializing in trading cards, framed pictures, autographed memorabilia, jerseys, game-used collectables, and pop-culture collectables. They are the largest store of its kind in Manitoba and one of the largest in Western Canada.

Owned by Roger Williams since the early 1990s, the Hryciuk (Hi-Chuck) brothers, Cliff and Trevor, bought the name and distribution rights of CanCentral in 2021, and immediately implemented their vision of a modern sports collector store.

In the fall of 2022, after over 30 years in its original location, CanCentral relocated to its new home at 995 Milt Stegall Drive – a fitting address given the business' passion for its beloved Winnipeg Blue Bombers.

In its 2500 square foot storefront, CanCentral displays 20 show cases and countless shelving units full of singles, packs, and binders of trading cards for hockey, baseball, football, basketball, golf, soccer, Pokémon, Magic the Gathering and Yugi-oh. The back area of the store features a spacious area for customers to sit and rummage through monster cards boxes, priced 3 cards for only \$1. Customers are also welcome to test their skill at bubble hockey on the machine that is located between the front and back show rooms of the store. CanCentral's dedication to the hobby is evident, highlighted with a collection of game-used jerseys, sticks and equipment two of NHL greats: Alex Ovechkin and Wayne Gretzky.

The business welcomed over 10 000 visitors since its coveted takeover, including Blue Bombers' wide receiver Nic Demski and former Winnipeg Jets' captain Blake Wheeler.

CanCentral's staff carries a wealth of knowledge in the hobby that includes a focus on Pokémon cards, grading, values, products, and more, because of a lifetime of collecting.

In their mission to ignite the hobby in future generations, young collectors are given a free gift during every visit. On special occasions, the store's official greeter, mascot and security guard, Boo – a six-year-old Yorkshire terrier with a heart of a puppy – makes an appearance. Her infectious love for people appeals to both staff and customers alike.

During the fall, winter, and spring, CanCentral hosts trade nights – a special “after-hours” event where all customers are invited to bring traders in their collection to trade to other collectors. Each visitor is treated to free pizza and pop, and a ticket to win prizes drawn throughout the night.

It's also not just about the business at CanCentral. The staff members also compete in Aactive's pool league on a team appropriately named the “CanCentral Young Guns”. The staff also occasionally face off in a winner-take-all hockey game and shootout featuring their families and loved ones.

On August 26, 2023, CanCentral hosted its Grand Opening event, featuring sales on all products, a free lunch for all attendees, an in-store signing with Bombers' Nic Demski, and grand prizes for a few lucky winners. The event was dedicated to its countless loyal customers for short time they have open at their iconic new location and are looking to serve them again for all their collecting needs.
